Administration

Board of Education

SEATED: Left to Right, Robert McGill, Superintendent Ralph Baker, and Lowell Rowan. STANDING: Kyle Witt, Elwood King, and Clinton Speight, president. ABSENT: Kent Hailey.

Each member of the Board of Education renders a valuable service to his community and to the world in which we live. Dadeville is fortunate to have these men who are willing to give so much

of their time, effort, and thought toward improving and promoting the educational opportunities of our school.

These are our future citizens.

Mr. Baker, our superintendent, is a person whose first concern is the welfare of the

school. He has great faith in his students and a genuine interest in their welfare.

OFFICE SECRETARIES

Glenda Slagle
Brenda Adams

Valuable assistance has been rendered students, teachers, and all school personnel by our capable secretaries, Glenda Slagle and Brenda Adams.

Brenda and Jim are counting pennies.

GENERAL BUSINESS

Preparation for assuming a useful place in society is a vital phase of education, and economic training of students is essential. A constructive attitude toward business, an understanding of its functions, and the ability and skill to use its goods and services are the outcomes sought from a course in general business.

It has been said that the trained clerical worker has a key to all the treasure houses of the world. Shorthand students are thus learning a skill that can be of inestimable future value.

SHORTHAND

Future Homemakers of America

The Future Homemakers of America is a national organization for students of homemaking in high schools of the United States.

In addition to developing leadership ability, it provides opportunities for students to plan and carry out activities related to homemaking.

Nadine Glaze received the "most outstanding" award for ensembles in the junior division of the "Make It Yourself With Wool" contest held in Carthage in November.

Elaine Griffin is winner in the 1964 Betty Crocker Search for the American Homemaker of Tomorrow program. She achieved the highest score in the examination on homemaking knowledge and attitudes.

LEFT TO RIGHT: President, Elaine Griffin; Vice President, Judy Shrum; Secretary, Barbara Neill; Treasurer, Nancy Chism; Historian, Nadine Glaze; Reporter, Brenda

Russell; Parliamentarian, Becky Dodson; Song Leaders, Rozanne Fite and Judy Huchteman.

MOTHER-DAUGHTER BANQUET

Billie Jo Howe was president of Region 12 of Future Homemakers of America. We were proud of the way she assumed the responsibilities of her office. She performed her duties with poise and dignity.

Vocational Agriculture

ROW ONE: Left to Right, Jackie Slagle, Bill Limpus, Charles Rowan, Peter Howe, George Cox, Jimmy Toler, and Jimmy Fite. ROW TWO: Johnny Short, Teddy Dunn, Mike Griffin, Mike McMasters, Johnny Blamey, Richard McMasters, and

Max Melton. ROW THREE: Steve Potter, advisor, Rex Neill, Robert Glenn, Ray Holman, Robert Dill, Steve Halley, Alan Glaze, Jackie Wheeler, William Blankenship, Roger Hall, and Ken Sims.

ROW ONE: Left to Right, Jim Toler, chaplain; Steve Halley, secretary; John Blamey, vice-president; Max Melton, president. ROW TWO: Steve Potter, advisor; Richard McMasters, sentinel; William Blankenship, parliamentarian; Jack Wheeler, reporter.

Mr. Potter is a real friend to all "his boys."

JOHN MELTON
State Treasurer
1963-1964

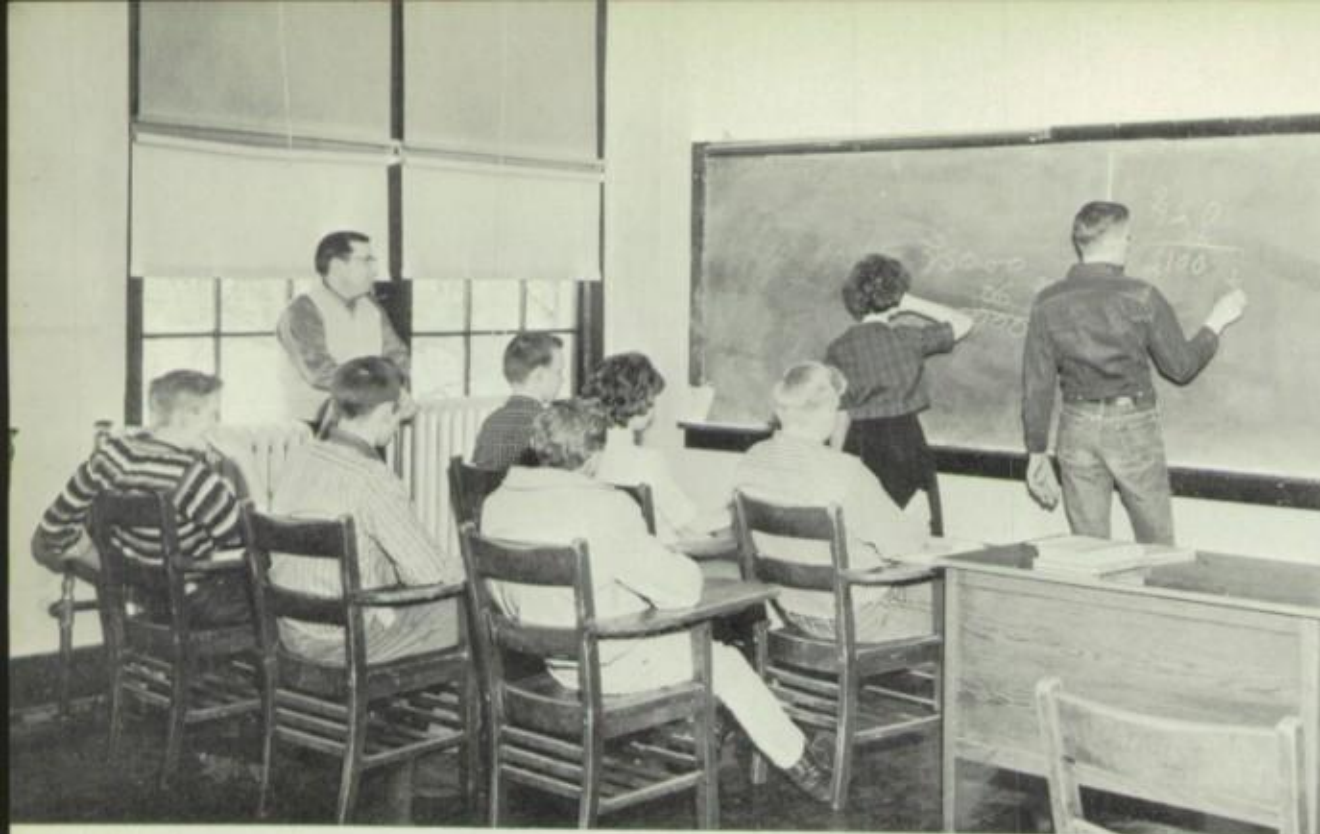

GREENHAND INITIATION

F.F.A. FISHING TRIP

The following boys went to the State F.F.A. Contest in Columbia. They are:
Teddy Dunn - Dairy Judging; Rex Neill and Steve Hailey - Field Crops; Richard
McMasters and Mike McMasters - Dairy Products.

General Mathematics

Judy and David are working percentage problems to improve their speed and accuracy. General mathematics in high schools is a continuation and polishing of fundamental math begun in the 7th and 8th grades.

Algebra

The sophomore class is experiencing its first course in algebra where unknowns can be solved accurately and quickly through algebraic equations and manipulations.

Geometry

The geometry class is composed of juniors and seniors. In this class algebra is combined with geometric figures to enlarge the students' knowledge of the uses of mathematics.

Girls' Glee Club

ROW ONE: Mrs. Thomas, Lois Melton, Kathy Stephens, Becky Dodson, Sophia Raymond, Barbara Neill, Nadine Glaze, Judy Shrum, Dianne Dunn. ROW TWO: Judy Huchteman, Dixie Klinker, Carolyn Kirby, Rozanne Fite, Brenda Russell, Janice Mason, Nancy Chism, Peggy Wheeler, Shirley Dill.

Mixed Chorus

We were privileged to host the Mass Chorus this year. The program consisted of both S.S.A. and S.A.T.B. numbers. Approximately 200 students took part.

Boys' Glee Club

ROW ONE: Teddy Dunn, Max Melton, Ronnie Sims, Steve Hailey, Ken Sims, Mrs. Thomas. ROW TWO: George Cox, Johnny Adams, William Blankenship, Peter Howe, Johnny Short, Jimmy Toler.

Some of the band members added a new experience to their marching this year when they tried to play frozen horns!

The band will miss the graduating members, but our beginners give us high hopes for the future.

MAJORETTE - Becky Dodson.
TWIRLERS - Carolyn Kirby,
Linda Kirby, and Nadine Glaze.
MAJORETTE - Karen Todd.

Head Majorette, Becky Dodson, has proved herself to be a capable leader.

Karen Todd was the real inspiration for the group.

The majorettes and twirlers add glamor and precision to the band.

These senior girls have been active, dependable leaders in both the instrumental and vocal music

programs all through high school. They will be greatly missed next year.

P.T.A. time!

Rozanne is busy practicing for this year's music festival. We're all proud of her past success and wish her even more in the future.

Our buses are carefully and safely driven a distance of two hundred and fifty miles each day by Dale Glaze, Clyde McMasters, Ralph McClelland, and Harry Cowan.

Riding a bus can be fun.

We greatly appreciate the cheerful and willing service rendered by Sheldon Toler, our custodian. He keeps the buildings clean and warm.

Mrs. Almeda Griffin, Mrs. Jean Wymore, and Mrs. Joan Peddicord have shared the task of preparing nourishing food for students and teachers at Dadeville. The cafeteria is an inviting place at the noon hour.

How good the food tastes!

Publication of the annual and the school newspaper are projects of the senior class. Much time is spent in gathering and compiling material for these undertakings. We hope that our publications meet with your approval.

Jimmy Toler and Elaine Griffin, editor and assistant editor, are looking over plans for the 1964 Dacamo.

Becky Dodson and Rozanne Fite, editor and assistant editor of the Windjammer, are preparing the next edition of the paper.

*Miss Dadeville
Elaine Griffin*

The students at Dadeville High School chose Elaine Griffin to represent them in the annual Walnut Festival at Stockton. There were eleven other girls chosen from various schools in the surrounding communities.
